Died Saturday Evening at His Home in the Fifth Ward.

Andrew Daulton, aged 30, who made his home with his father, Mr. George R. Daulton, 107 Union street, died at 6:45 Saturday p. m.

On Friday he was attacked by grip and had to leave his work at the James H. Hall Plow Company's establishment.

Saturday morning he thought himself well enough to resume work, but his wife insisted that he was not; and while at breakfast he began acting strangely. He thrust a fork into his cup of coffee and then jabbed it into the sole of a shoe. He was soon placed in bed and lapsed into an unconscious state, from which he never recovered.

His wife, who was Miss Maggie Gibson of Ohio, and a five-year-old child survive.

THERE'S NONE HERE!

Not a Single Case of Smallpox in the City of Maysville.

The reports which abound in the country that there is smallpox in Maysville are false in every particular.

There are, however, a number of cases at Lewisburg, nine miles distant, and several at the county seat, three miles distant.

IN OLDEN TIMES

People overlooked the importance of permanently beneficial effects and were satisfied with transient action; but now that it is generally known that Syrup of Figs will permanently overcome habitual constipation, well-informed people will not buy other laxatives, which act for a time, but finally injure the system. Buy the genuine, made by the California Fig Syrup Co.

HOYT'S "A TEXAS STEER."

Fantastic as the title is, suggestive of a riot of nonsense and fun, "A Texas Steer," which will be seen here at Washington Opera-house Saturday, January 19th, presents an interesting story in a legitimate, dramatic way, bringing out human character consistently and following carefully a distinct and ingeniously constructed plot. Mirth, gaiety and absurdity are but reasonable adjuncts of the scenes and incidents of the piece. The principal roles will be assumed by the original cast that made the piece famous during its long run in New York.

Cut this out and take it to J. Jas. Wood & Son's Drugstore and get a free sample of Chamberlain's Stomach and Liver Tablets, the best physic. They also cure disorders of the stomach, biliousness and headache.

Y. M. C. A. MEETING.

Splendid Service at the First Baptist Church Last Night.

The Y. M. C. A. union service last night at the First Baptist Church was big numerically, strong spiritually and loud in its determination to close no avenue leading to good.

The evangelical Churches were represented by the Ministers, who sat upon the platform.

The President of the organization, Mr. R. A. Cochran led, the Directors sat in the choir stalls and the members of the Y. M. C. A. attended in a body and occupied seats immediately front.

A song service took up the first part, and the addresses by the Ministry followed the reading of Scripture and prayer by Rev. Augustine J. Smith.

Songs interspersed with the whole concluded by the Rev. F. W. Harrop's appeal for financial aid. By his earnestness and wit, his sincerity and anecdotes, he got in \$400, and the vast audience arose and sang the long meter Doxology with a cheerfulness and vim seldom before heard in our city. The local organization has come to stay.

Lingering Lagrippe Cough.

A Prominent Chicago Woman Speaks.
Prof. Ross Tyler of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies, but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy, and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by J. Jas. Wood & Son, Drugstore.
